Delay In Full Year 2007 Results Announcement

Further to the announcement on 16 January 2008 where it is stated that the Company will announce its consolidated financial results for the year ended 31 December 2007 on 18 February 2008, the Company wishes to announce that there will be a delay in the group's results announcement.

As a result of the bad weather conditions in China and Indonesia in the last few weeks, the Company will need more time to finalize the details of the financial results from its PRC and Indonesian operations for the full year ended 31 December 2007.

The Company will expeditiously announce its group's results as soon as it ascertains the relevant information from its PRC and Indonesian operations.
